

Bavarian Mountain Hound Society of GB Objectives of the Society

1. To promote the well being & understanding of the Bavarian Mountain Hound (BMH).
2. To promote its role as a tracking hound for following up wounded and injured deer.
3. To maintain the breed in accordance with the Kennel Club Standard.
4. To provide Seminars & Classes on:
 - a. Breed Standard, to promote the full understanding of the Standard as to prevent any misinterpretation of the said Standard.
 - b. Tracking Tests, the correct handling, training (of hound & of leader) & equipment used in tracking wounded game.
 - c. Breeding, to promote responsible breeding. Hereditary defects that the breed faces.

For all the above the Society will hope to have experienced BMH owners/handlers from Europe to assist the Society with its goals.

5. To hold shows in accordance with Kennel Club regulations.
6. To get Schweisshund Tracking Tests recognized by the Kennel Club.
7. For all members to follow the Ethics of the Society.
